

Etoile Bella Lui 

Un festival enchanteur à la montagne

**Presents**

# **GOURMET EVENINGS AT THE LANTERN VILLAGE**

## **A GOURMET FAIRYTALE EXPERIENCE**

**On the fringe of the festival, with its gourmet market, big wheel and all the entertainment in the heart of Crans, the Lantern Path leads each visitor into a timeless, fairytale winter universe, a place of enchantment and connection with Mother Nature.**

**Midway along this path - a 3km long snowy route linking Etang Long to Lake Moubra which is accessible to everyone - you can explore the « Lantern Village », and its three original mountain chalets. It is in this magical area that we can grasp the origin of the festival, via a mountain myth that has quickly become legendary.**

**In this enchanting setting, the organising committee of the Etoile Bella Lui Festival has decided to offer small groups an even more intimate and amazing experience.**

**Two concepts, and several extra options, can be booked in order to fully meet all your**
